Financial Business

Old Business

- A. Book sale, not going to do. (no handicap access to basement for patrons)
- B. Myron's Donations are being used for Large Print Books.

New Business

Doing the holiday stroll was discussed and we decided that we will be participating this year. Emily is going to ask some questions at her director's meeting about the Hoopla app and other things. We received our fall amount of money from the county. We will be watching next year to try and apply for a grant involving children's safety. We are going to sell some chairs that the library no longer uses. We will do a bidding style of sale. Emily would also like to set up a board training day so we have that in for when the accreditation is due.

Librarian's Report

Emily plans on changing the book club times to see if more people will show up. Starting in December, Emily plans on doing a book club the 1st Thursday of the month and the 1st Saturday of the month.

Still trying to get the name changed on the credit card, trying to make it where Liz doesn't have to come to Rockford if not needed.
